I had said that I liked the dirty book business. And that was the truth. But sometimes I downright loved it. After all, I had my job to thank for my current girlfriend.

I didn't want to get in bed with the Mafia. Hell, who would? Unfortunately, I didn't have a choice.

The legitimate distributors didn't want anything to do with me. They feared obscenity charges, feared getting busted and put in the slammer for a very long time. As for the Mafia—well, they were more than willing to distribute my magazine. For the right price, of course. Their fee was high, but I didn't try to talk them down. It wouldn't have done a bit of good. The Maldini Family wasn't exactly known for flexibility in their business dealings.

One of my competitors made the mistake of complaining about

notions of being a writer before selling his soul for the almighty dollar. But his dream had never totally died. He still read a lot and even tinkered with the occasional short story when time permitted, which wasn't often. Ed wanted to be one of my freelancers, even after I told him how little I could pay him.

This was ten days ago. Now I sat at my cluttered desk trying and failing to read Ed's story which had arrived in this morning's post. I was finding it very hard to concentrate for two reasons. The story sucked, for one. Ed didn't know the first thing about writing engaging fiction. "Don't quit your day job, Ed," I muttered to myself, my gaze torn between his dull sex yarn and my girlfriend's voluptuous body.

Crystal was the second reason.

I had said that I liked the dirty book business. And that was the truth. But sometimes I downright loved it. After all, I had my job to thank for my current girlfriend.

Crystal and I met at a 42nd Street bookstore where she had clerked when not performing at the arcade next door. I visited the store often to gauge my competition; studying other publications helped me create a better magazine. One day I had found it next to impossible to focus on my "research" in the presence of a fine specimen like Crystal. Hers was a new face behind the counter, young and fresh and unforgettable. After striking up a conversation, I had pulled my ace, telling her that I was the man behind Snatch magazine. My revelation had the desired effect, evidenced by her quitting the bookstore and coming to work for me just weeks after we first started seeing each other.

Presently gazing out the window of our fourth-floor Lafayette Street office, Crystal sported a pair of tight-fitting denim shorts

In Deep

the fee; he wound up with a broken nose and a higher fee. I didn't want to end up like him. I liked my nose.

And I liked the dirty book business. The thought of holding down a straight job made me physically ill. Ed Block, a friend of mine from Queens College, had gone on to law school. "Worst decision of my life," he had told me recently. The poor guy hated being an attorney, so much so that he had asked me if I needed any

help.

Both Ed and I had majored in English at Queens. Like a lot of lawyers, he had entertained

and an even tighter T-shirt, the former accentuating her mouth-watering ass, the latter leaving little to the imagination in terms of her luscious jugs. Man, I loved summer, even in the sweltering city.

"How's your friend's story?" she asked, still looking out the window.

"Dreadful," I told her.

"That bad, huh?"

"Awful."

She turned around to face me. Crystal hadn't jumped on the women's libber bandwagon like a lot of chicks in the city. Still, she rarely wore a bra, especially in the summer. The dark brown nipples capping her D cup tits threatened to poke holes in her shirt. Had I not been sitting behind my desk Crystal would have surely noticed the bulge in my pants. All this to say that we were both horny.

her mind, something important. I knew this from experience. But I wasn't about to inquire and run the risk of dampening her desire. Besides, a good fuck would help her forget, if only for a little while, what was bothering her.

I got out of my chair and walked around to the front of my desk. Smiling like a crocodile at feeding time, I unzipped my trousers and whipped out my cock. Returning my smile, Crystal shucked her T-shirt and shorts and closed the gap between us. She looked out of sight in a pair of pink lace panties which failed to contain her bountiful bush.

Kneeling before me, she proceeded to suck my cock. Crystal gave head like a pro. This made perfect sense. She was turning tricks when I met her, supplementing her earnings from the bookstore and peep arcade. It

to and fro. Leaning against the desk, I felt the tension drain from my body. She moaned around my member, moaned and groaned and shoved a hand down the front of her panties. A real multitasker, my girlfriend. And I'm not referring to her clerical skills, which were average at best.

Crystal picked up the pace, sucking my schlong faster and faster, the frenzied movements of her head matching those of her hand. I was harder than a baseball bat. And most eager to plunge my prick into her tight twat. Having primed my pecker and her poontang for a good five minutes, she rose from the floor and bent over my desk. I moved behind her and crouched until my face was level with her ass. Then I moved her panties to the side and pressed my mouth to her cunt. Crystal shuddered when I licked her puffy lips, shuddered and cooed softly.

"We interrupted his lunch . . ."

"Today's special looks tasty."

"Yeah," the first voice replied.

"Even better than my mother's cannoli . . ."

The wisecracking voices were all-too familiar. Still, I was startled by the intrusion. I swiveled to face the door, standing and pulling up my pants as I did so. Crystal grabbed her T-shirt from the floor and put it on hastily, a strangely modest reaction considering her resume. It would have been comical if my rude guests weren't enforcers for the Maldini Family. I knew them as Vincent and John.

"A knock would have been nice," I said irritably, and immediately regretted it.

I thought about my mouthy competitor, the one with the broken nose. These menacing goombahs were no strangers to violence, while I hadn't been in a fight since I was eighteen. They would mop the floor with me.

"Knock, knock," said the one

I was relieved. Her turgid nipples notwithstanding, Crystal had been staring out the window for a long time. Something was on

hadn't bothered me then, and it sure as hell didn't bother me now.

Her moist lips wrapped around my shaft, she pumped her head

named Vincent, rapping his fist against an imaginary door. "Better?"

John ogled Crystal, mentally removing her shirt and panties with his beady eyes. Greaseball creep. I wanted to deck him right then and there. I paid him instead; this after retrieving the cash from a small floor safe.

Neither hood bothered to count the monthly payment. I wasn't bold and/or stupid enough to hold out on them, and they both knew it.

"Until next time," said Vincent.

John smirked. "Enjoy your lunch."

I stared at the door after they had left, my fists clenched at my sides. It wasn't the money; their fee was certainly higher than that of a legitimate distributor, but that didn't bother me nearly as much as the way they had barged into my office like they owned the place.

"Assholes," muttered Crystal.

"It's okay," I said lamely, moving to sit behind my desk.

She grabbed my arm. I searched her face. Crystal met my gaze, her blue eyes imploring me to finish what we had started before being rudely interrupted by the mobsters. Her grip was firm, but she didn't have to twist my arm. I needed a good fuck. We both did. Now more than ever . . .

Moments later, a topless/bottomless Crystal found herself bent over the front of my desk for the second time that day. Kneeling behind her, I grabbed two handfuls of soft flesh and spread her cheeks. Then I went to work with my questing tongue, licking and lapping her cunt in earnest.

Crystal panted with pleasure, never more so than when I migrated to her other hole. I explored her pink starfish with the tip of my tongue, driving her insane with lust. She looked at me over her shoulder, her face twist-

ed with desire, her teeth digging into her lower lip, and demanded that I fuck her.

I withdrew my face from her ass and rose to my full height. One hand gripping her hip, the other wrapped around the base of my cock, I skewered her snatch. Crystal cried out crazily when I pushed inside her. Now holding her trim waist with both hands, I pounded her hairy twat with everything I had.

I could see Ed's abysmal story on my desk beside her hand, the story I had yet to finish reading. I hated to dash his literary aspi-

me in the past. And it worked today. I outlasted Crystal, making her come before I pulled out and waggled my wang for her mouth. She got down on her knees and finished me with a sloppy blow-job. My girlfriend loved the taste of cum, so I came in her mouth. She swallowed my load, every last drop, before licking her luscious lips.

"Delicious," Crystal said.

"Better than your mother's cannoli?"

"I don't know," she said. "My mother doesn't make cannoli."

I didn't bother to tell her that

rations, Ed being an old college buddy and all, but I didn't have much of a choice. Snatch was a quality porn mag. I had editorial standards to uphold.

Thinking such thoughts while screwing my girlfriend was not an indictment of her in the least. Just the opposite, in fact. I had to think about something other than sex to keep from blowing my wad prematurely.

This technique had worked for

mine didn't either. Crystal got dressed and stepped out to run a few errands. I got dressed and finished reading Ed's story. It didn't get any better. I'm sure my friend could write fancy legalese just fine, but he couldn't write smut worth a tinker's damn. It was harder than most people thought, pun intended.

I lit a cigarette, put a sheet of paper in my Olivetti, and belted out the rejection letter.

on harness over her plump hips. Big tits swaying as she walked over to me on the couch, I licked my lips. She took the freshly washed dildo from my hands and secured it onto herself. Lubing it up, she stroked it as if it were really her own.

"Lie down on the bed," Tara ordered, her voice low. The mattress dipped beneath me as I settled back against the sheets. My legs fell open in a clear invitation. Tara crawled up and pushed my thighs further apart to settle between them. The heat of her breath grazed my clit and I shuddered. Leaning in, she breathed deep before dragging her tongue up along my slit. "Mmm, you taste so fucking good. You can take me balls deep, can't you? I believe you can, you little slut."

"Please," I whimpered, my hips rolling up to grind against her face. "Don't stop, I need you so bad. I want to feel that big, fat dick stretching me open!" Sucking on my clit, she got me

"Oh my god, look at THIS one," my best friend gasped, holding up a massive silicone cock. It was at least 10 inches long and as thick as my wrist. I wrinkled my nose, eyeing it skeptically.

"Um, no way. There's no fucking way that would fit inside me." Tara grinned and turned the toy over in her hands. "Well, I think your pussy can take it. With my help, I mean. Want me to prove it to you?" She arched an eyebrow. My heart sped up and I swallowed hard.

"Okay..." I breathed, "let's do it." She bought the supplies and we hurried home. As soon as we were alone, Tara stripped off her clothes and buckled the new strap-

wet enough to easily accept three fingers inside my sopping cunt. Fingers pumping in and out of my tight pussy, she stretched and prepared me for the massive intrusion to come. My juices dripped down and coated her chin.

"Fuck, you're so tight," Tara pulled back to admire her work. She brought her wet fingers up to my mouth, making me taste myself. I swirled my tongue around them and licked her hand clean. "I can't wait to see your pussy gripping this huge cock." Tara tapped the head of the dildo against my sensitive clit. Whimpering, I began squirming with need. My pussy felt far too empty and I was getting desperate to be filled already. Still, Tara continued toying with me. Rubbing tight circles around my

clit, she was pushing me rapidly towards my peak. Just as I was about to come, Tara pulled away. "Not yet, baby. I need to get this big boy ready to wreck your tight pussy first." Her wicked grin showed me no sympathy as I lay there panting.

Tara coated the 10 inch silicone cock in a generous layer of lube, slathering it until it glistened obscenely. Positioning herself between my legs, the swollen head pressed against my entrance. I gasped and bucked my hips up to meet it. With a determined grunt, she pushed forward, sinking the first few inches into me. I cried out, my back arching off the bed as I was stretched wider than I had ever been before. Every ridge and vein dragged against my sensitive walls perfectly. Each thrust of her hips pushed more of it deeper inside me.

"Fuck, look at you taking this monster cock so well. You're such a slut," Tara groaned. Finally, the leather of her harness met my hips and I knew she had buried herself to the hilt inside me. Giving me a moment to get used to the size, Tara brushed the hair away from my face and kissed my lips. "I knew you could take it," she cooed. My breath came out in huffs as I squeezed around the toy. "Now, relax for me. Get comfortable with this cock inside you." It took a couple minutes but she made time fly with her lips on my neck.

Once she was happy with my progress, Tara began to fuck me in earnest. Hips pumping, she roughly slammed the dildo in and out of my pussy. My tits bounced with each strike of the headboard against the wall. I wrapped my arms around the back of her neck and hung on while her pace quickened. Changing angles slightly, Tara began pounding my g-spot mercilessly.

"Shit, I can't...I can't..." I gasped out, my fingers digging into Tara's shoulders. Small, red crescents marked her skin.

"Take it... take it, you dirty little slut," Tara growled. Droplets of sweat began dripping down her face as she rutted into me like a woman possessed. "Take this fucking cock!" My voice broke as my orgasm crashed over me. My pussy clamped down rhythmically around the thick toy, milking it in hopes that it'd fill me with cum. Tara didn't let up, even as I thrashed and bucked beneath her. She fucking me through my orgasm until I collapsed.

When Tara pulled the dildo out, she admired the gape it left. Watching my pussy lips flutter and clench around nothing. "Fuck, that was so incredibly hot," she panted, running a hand through her messy hair. "I can't wait to do it again and again until you're just a complete fucking mess."

A woman with long, dark, curly hair is sitting on a dark leather couch. She is wearing a dark blue, short-sleeved, V-neck top with a light-colored floral pattern and a white skirt. She is looking towards the camera with a slight smile. The background is a bright red wall.

"Yes, I was a goth child just a few years ago. Living in Boston and going to the music college, it was only natural to get into the culture. There was an awful lot of pot smoking and lots of sex. I tried a couple guys and a few girls, and I even tried them together. While I'm a little more selective now, I haven't lost my urge to fuck and get fucked."
